Qui fait...? / Qui a...?

	Find out from your partner, by asking them in French: Who...	NAME
1	only has one lesson of French?	
2	does French every day?	
3	has three lessons of French a week?	
4	has two lessons of French a week?	
5	has two lessons of Spanish a week?	
6	has a new lesson?	
7	does Spanish every day?	
8	has three lessons of Spanish a week?	
9	has only one lesson of Spanish a week?	
10	has an easy lesson?

5	has two lessons of Spanish a week?	
6	has a new lesson?	
7	does Spanish every day?	
8	has three lessons of Spanish a week?	
9	has only one lesson of Spanish a week?	
10	has an easy lesson?	

TEACHER NOTES

Copy the sheets and cut vertically down the middle. Each student gets either the boys' timetables or the girls' timetables. Students must ask each other the Qui...? questions in French to find the answers. To avoid Partner B simply copying pair A's question formulation, Partner A asks all questions first, then partner B asks the questions.

ANSWERS

Qui fait...? / Qui a...?		
	Find out from your partner, by asking them in French: Who...	NAME
1	only has one lesson of French?	Henri
2	does French every day?	Pascal
