

Pair work speaking cards: Version B

? near

? near

? near

? far

? far

? far

? where

? where

? where

## Instructions

Players take it in turns to select a card. They use 'está' to ask where something is, or if it is near or far. The partner gives a response based on his/her map. Partners note down on their blank version of a map all the details that they learn.

## Language needed for the task
