

Das Reisebüro und die Reise

When you go away on holiday, travel agencies often help you (or not!) with many of the arrangements, decisions and activities.

A travel agency wrote this list to explain what **they** do.

The list also explains what **the traveller** does.

The person who wrote it seems to have got some things a bit confused.

In this activity:

- **er (he)** refers to the traveller (e.g. he – *the traveller – books tickets*)
- **sie (they)** refers to the travel agents (e.g. they – *the travel agents – book tickets*).

What does each phrase say?

Decide whether each statement refers to something **the traveller (he)** does or something that **the travel agents (they)** do.

Er (he) ... / sie (they) ...

1. ...stellt viele Fragen.
2. ...geben Information.
3. ...empfehlen ein Hotel.
4. ...wählt ein Reiseziel.
5. ...rufen das Hotel an.
6. ...erklären die Kultur.
7. ...findet seinen Reisepass
8. ...organisiert das Geld.
9. ...reservieren den Flug.
10. ...entscheidet die Reisepläne.
